The following spendid pieces of scener, from Both the accumulation and the expendiin gifted pen of our fried Waltace was write ture of these surplus lands were measures of on off on our aditorial table in ton or lifteen min- the Oppositon—and all the excessive approdity of poetical fancy and exquisite choice the charge of the Administration as a proof of extravaguers. All appropriations of public money, it is well known, must be made by Congress; yet the Whigs charge the Administration with extravagance, with the perfect knowledge of two natorious factsfirst, that Congress voted vastly more than was asked for by the public officers, and secondly, that the Opposition were almost invariably the voters for these excessive approperations.

The bank expansion contributed, likewise to the same corrupt and auquitous ends, and the bank-men all combined against the educts of the President to reduce the revenue to the necessary wants of Government, an object which it is well known, Gen. Jackson

used his untiring effect to accomplish. At length an aumerse sum of facty mellous was accomplated into the treasury from the high tariff, the high price of public lands, and the excessive issues of the banks, the ery of our bunner sparkles. Eatter enabling the lands and the goods which were taxed to find a ready sale in the
